Prices are based on financial year ending 30 June 2027.

Prices are subject to change without notice. Please allow a 5% increase for future years.

Branding Terms and Conditions

Responsibility and Cost

All responsibilities, obligations, and associated costs shall be borne solely by the client. The client agrees to indemnify, defend, and hold harmless the operator and its affiliates from and against any and all claims, damages, losses, or expenses arising out of or in connection with the client/sponsor's use of the carts and branding materials.

Application of Branding

If branding is required, the Client may request an additional two (2) hours prior to the event start time through their designated Planner. Should further time be required, dry hire options are available for purchase.

The Operations team will deliver the cart(s) to the agreed location. However, the Client shall be solely responsible for the application of all branding skins.

The Client assumes full liability for any damage to the carts, property, or third parties arising from or in connection with the application of such branding. The Client must ensure that all installation work is carried out safely and in full compliance with applicable health, safety, and regulatory requirements.

Removal of Branding

Upon conclusion of the event, the client/sponsor shall be responsible for the complete removal of all branding skins. The client shall be liable for any damage, residue, or deterioration caused to the carts as a result of the branding or its removal, and agrees to cover all costs associated with repair, cleaning, or replacement as required.
